Abdomen
Bleeding in, x-ray diagnosis of, January 58
Blunt trauma to, peritoneal lavage in diagnosis of, March 176, 178
Diagnosis in
With barium enema, in children, June 12
With peritoneal lavage, March 176, 178
With tomography, April 17
With x-rays, January 50-59
Pain in
From ascariasis, January 92
Barium enema as diagnostic aid in, June 12
Causes of, September 236, 241
Chronic, misdiagnosed, February 129
From Crohn's disease, June 71
Differential diagnosis of, September 12
Intramural hematoma as cause of, September 241-242
From mesenteric infarction, May 12
From ruptured spleen, April 101-106
As sign
Of bowel obstruction, May 52-53
Of diaphragmatic rupture, October 111-113
Of disease, October 157
Of mesenteric infarction, December 77
Of ruptured kidney, March 116-121
Of testicular torsion, May 174
Yersinia as cause of, January 111

Abortion
Menstrual regulation technique in, September 245-246
Pelvic abscess from, April 210
Spontaneous, management of, October 107

Abscess
Of aortic valve ring, May 204, 209
Brain, from penetrating eye trauma, April 83
Pelvic, from abortion, April 210
Spinal epidural, October 169-170
Subphrenic, December 13

Acidosis
See *Electrolyte imbalances*

Acne
Antibiotic therapy for, January 169-171
Topical, January 175
And polyarthralgia, January 170-171

ACTH
Insufficiency of, in sepsis, November 171

Activated charcoal
In poisoning, April 199-200

Adrenal glands
Cortisol insufficiency of, November 171-172

Adrenergics
Compared, for asthma, August 116-117

Aerosols
Bronchodilator, December 26

Agranulocytosis
From mononucleosis, January 203, 205

Airway
Esophageal obturator, July 75-78
Maintenance of, November 26-31
Obstruction of
Foreign body, January 144; April 224; August 49-56
In newborn, April 107-108
From trauma, November 26-31
Upper, in children, July 143
X-ray diagnosis in, in infants, September 233-235
See also *Cardiopulmonary resuscitation*

Alcohol
As cause of hypoglycemia, December 132
In drug overdose, May 119

Alcoholism
Cirrhosis and hepatitis from, May 109-114
Hypotensive shock and, July 83
And isoniazid, September 137
Legal aspects of ER treatment for, August 9 (letter)
Missed hematoma in, September 211
Nonalcoholic drugs for therapy in, December 102
In pregnancy, fetal abnormality from, August 121-125

Aldomet
See *Methyldopa*

Alkalosis
See *Electrolyte imbalances*

Allergy
Abdominal pain caused by, September 236
Bronchopulmonary aspergillosis, August 151-153
Food, August 165-166

Ambulance equipment
List of, December 86

Amikacin
In burns, serum levels of, September 126
In Gram-negative infections, May 9
In resistant infections, November 14

Amikin
See *Amikacin*

Aminoglycosides
Guidelines for use of, April 140, 142

Amitriptyline
As cause of poisoning, March 212

Amoxicillin
In pediatric gonorrhea, February 55

Amphetamines
IV abuse of, August 212-213

Amphotericin
For candidiasis
In burns, September 126-129
In endophthalmitis, September 129
In cutaneous cryptococcosis, June 214-216

Ampicillin
In endocarditis, prophylactic, August 37
In epiglottitis, January 68
In otitis media in newborn, September 89

Amputation
From hair tourniquet, May 43-47
Of infected hand in diabetics, September 141
Replantation after, April 71; June 100-108

Analgesia
In spontaneous abortion, October 107

Anesthesia
In spontaneous abortion, October 107
Local, October 207
New methods of administration of, February 9

Aneurysm
Aortic
Abdominal, October 218-221
Counterpressure for, June 16 (letter)
Misdiagnosed in obese, September 209
Dissecting, June 137-144
Fever in, April 237
Ruptured, October 210-217
Balloon tamponade for, October 218-221
Cardiac, after blunt chest trauma, August 63-64
Popliteal, ultrasound in, December 67

Angina
Abdominal, September 236
Cervicoprecordial, August 86-90
Criteria for hospitalization with, August 83-84
As sign of MI, September 169

Angiography
In brain injury diagnosis, August 71-73
In mesenteric artery embolization, December 77
Phono-, in carotid disease, May 189-191

Ankle
Bursitis and tendinitis in, November 92
Fracture of, February 49, 52
Sprained, November 97-112

Ankylosing spondylitis
Differential diagnosis of, September 83-84

Antacids
For duodenal ulcers, December 84
For gastric aspiration, February 114

Antiarrhythmic drugs
Aprindine, June 150-151
Atropine, in newborns, January 97
For defibrillation, February 115, 117
Disopyramide phosphate, June 151-152
Tocainide, June 149-150

Antibiotics
In acne, January 169-171
In aortic valve abscess, May 209
For beta-hemolytic strep, June 64
Computer-chosen, January 153-162
For endocarditis, prophylactic, August 34-41
For gonorrhea, September 9
Resistance to, July 159
Guidelines for use of, April 129-149
In infected newborn, October 96
In meningitis, April 160, 162
In otitis media, September 89, 91
Pediatric use of, April 151-164
In salpingitis, September 9
Sensitivity test for, in burns, August 13

Anticholinesterase
Poisoning from, March 217

Anticoagulants
As cause of intramural hematoma, September 241-242
As cause of ovarian bleeding, April 170
As cause of postemetic bleeding, January 12
In glomerulonephritis, April 91-94; September 226-231
Oral
And congenital malformations, August 143-146
Interaction of, with hypoglycemic agents, April 227
And intestinal infarction, October 242

Antidepressants
Tricyclic, overdose from, January 151

Abdomen
Bleeding in, x-ray diagnosis of, January 58
Blunt trauma to, peritoneal lavage in diagnosis of, March 176, 178
Diagnosis in
With barium enema, in children, June 12
With peritoneal lavage, March 176, 178
With tomography, April 17
With x-rays, January 50-59
Pain in
From ascariasis, January 92
Barium enema as diagnostic aid in, June 12
Causes of, September 236, 241
Chronic, misdiagnosed, February 129
From Crohn's disease, June 71
Differential diagnosis of, September 12
Intramural hematoma as cause of, September 241-242
From mesenteric infarction, May 12
From ruptured spleen, April 101-106
As sign
Of bowel obstruction, May 52-53
Of diaphragmatic rupture, October 111-113
Of disease, October 157
Of mesenteric infarction, December 77
Of ruptured kidney, March 116-121
Of testicular torsion, May 174
Yersinia as cause of, January 111

Abortion
Menstrual regulation technique in, September 245-246
Pelvic abscess from, April 210
Spontaneous, management of, October 107

Abscess
Of aortic valve ring, May 204, 209
Brain, from penetrating eye trauma, April 83
Pelvic, from abortion, April 210
Spinal epidural, October 169-170
Subphrenic, December 13

Acidosis
See *Electrolyte imbalances*

Acne
Antibiotic therapy for, January 169-171
Topical, January 175
And polyarthralgia, January 170-171

ACTH
Insufficiency of, in sepsis, November 171

Activated charcoal
In poisoning, April 199-200

Adrenal glands
Cortisol insufficiency of, November 171-172

Adrenergics
Compared, for asthma, August 116-117

Aerosols
Bronchodilator, December 26

Agranulocytosis
From mononucleosis, January 203, 205

For gonorrhea, September 9
Resistance to, July 159
Guidelines for use of, April 129-149
In infected newborn, October 96
In meningitis, April 160, 162
In otitis media, September 89, 91
Pediatric use of, April 151-164
In salpingitis, September 9
Sensitivity test for, in burns, August 13

Anticholinesterase
Poisoning from, March 217

Anticoagulants
As cause of intramural hematoma, September 241-242
As cause of ovarian bleeding, April 170
As cause of postemetic bleeding, January 12
In glomerulonephritis, April 91-94; September 226-231
Oral
And congenital malformations, August 143-146
Interaction of, with hypoglycemic agents, April 227
And intestinal infarction, October 242

Antidepressants
Tricyclic, overdose from, January 151

Antiemetics
Contraindicated in newborns, April 116

Antihypertensive drugs
As cause of electrolyte imbalance, November 148-152
In children, July 105-110
In pregnancy, June 86-87
Ticrynafen as, July 9

Antiseptics
Contaminated, as cause of infection, February 9; May 17 (letter)

Aorta
Coarctation of, test for, March 223
Dissecting hematoma of, September 97-100
Rupture of, November 184-185
From chest trauma, November 79-82
Valve ring abscess of, May 204, 209
See also *Aneurysm*

Apgar score
As guide in newborn resuscitation, October 43, 46

Aphasia
Epilepsy as cause of, November 163-164
Misdiagnosed as psychiatric illness, October 248

Apnea
As cause of infant death syndrome, December 13
In newborns, March 226-232

Appendicitis
In pregnancy, November 197-200
Surgical management of, January 163

Aprindine
In arrhythmias, June 150-151

Arm
Bursitis and tendinitis in, November 84-93
Fractures of, October 112

Arrhythmias
Atrial fibrillation, July 69-70
In children, July 70
Atrial size and, July 69-70
Bradycardia
Nitroglycerin as cause of, February 130
In premature infants, January 97-98
Diagnosis of, July 163-169
Digitalis as cause of, May 195-201
Drugs for, February 115; June 149-152
In MI, March 128-130, 134, 139; September 169
Paroxysmal, from hypertension, March 84
Test on, July 163-169
Ventricular
Fibrillation, drugs for, February 115, 117
Tachycardia, cardioversion for, July 90

Arsenic
Poisoning from, therapy for, June 228
Hemodialysis for, February 109

Arteritis
Temporal, symptoms of, January 147

Arthralgia
With acne, January 170-171

Arthritis
Psoriatic, diagnosis of, September 176-181
Septic, in infants, February 118
See also *Osteoarthritis*

Ascariasis
Diagnosis and management of, January 92-93

Aspergillosis
Allergic bronchopulmonary, August 151-153
And cancer, August 153, 157

Asphyxia
In newborn, October 31-47

Aspiration
Gastric, in unconscious patients, February 111, 114
Pneumonia from, March 215; May 119
See also *Foreign bodies*

Aspirin
In osteoid osteoma, August 197
Poisoning from, March 210-211; September 151-160
In prevention of transient ischemic attacks, August 97, 99
And renal function, May 12

Asthma
Adrenergic bronchodilators for, August 116-117
Beclomethasone for, to replace steroids, November 141-142
Bronchodilator therapy for, December 26
Cancer misdiagnosed as, January 144
Cold air and exercise as cause of, December 17
Eosinophilia in, as guide to therapy, August 160-161
Sedatives contraindicated in, May 119-120
As sign of aspergillosis, August 151-153
Theophylline in, guidelines for, March 81-82
Triamcinolone in, November 142

Atherosclerosis
As cause of popliteal aneurysm, December 67

Atropine
In bradycardia in premature infants, January 97

Auscultation
In mitral valve prolapse, July 126, 131

Autotranfusion
Techniques of, April 125-126

Babesiosis
Incidence of, November 11

Bacitracin
For newborn antisepsis, April 119, 121

Back
Pain in
Ankylosing spondylitis as cause of, September 83-84
As sign of spinal abscess, October 170

Balloon counterpulsation
Complications of, January 11-12

Balloon tamponade
In hemoptysis, April 207-208
In ruptured abdominal aortic aneurysm, October 218-221

Barbiturates
Overdose of, May 119
For withdrawal, in newborn, June 181

Barium enema
In abdominal diagnosis, June 12

Battered child syndrome
See *Children, abused*

Beclomethasone
In asthma, November 141-142; December 26

Bedsores
See *Decubitus ulcers*

Benzodiazepine
Withdrawal symptoms from, June 179-181

Bicarbonate
IV, before CPR, February 115, 117

Bilirubin
Neonatal levels of, October 97-104

Biopsy
Skin punch, technique for, October 207

Birth defects
Oral contraceptives as cause of, June 111

Bleeding
Abdominal, January 58
As cause of airway obstruction, November 28-30
Cerebral, steroids for, August 9 (letter)
Drug reaction as cause of, January 193-197
Esophageal, November 14
Factor deficiencies as cause of, March 185, 190
In fulminant hepatitis, December 46
GI
From burns, prevention of, March 9
Levarterenol for, March 9
Stress, surgery for, September 198-203
Upper
Diagnosis and management of, April 67, 71
Electrocoagulation for, January 12
X-ray diagnosis of, January 58
In hemophilia, April 241-244
Hepatic, July 185
Steroids as cause of, April 71
Nasal, November 71-72
In newborn, diagnosis of, March 181-193
Ocular, November 54-55
Ovarian, from anticoaguiants, April 170
Pancreatic, misdiagnosed, February 129
In pelvic fractures, April 111-115
Postemetic, January 12
Postoperative abnormalities of, May 9
Pulmonary, March 9
Balloon catheter for, April 207-208
Embolization for, April 201-207
Splenic, in drug addict, April 224
From stoma, misdiagnosed, September 209
Uterine, diagnosis of, August 58-59

Blindness
As sign of temporal arteritis, January 147

Blood gases
Arterial, technique for, October 207
From infants, technique for obtaining, February 146
In pulmonary embolism, September 209, 211

Blood pressure
In children, July 99-102, 125
See also *Hypertension, Hypotension*

Blood urea nitrogen
Elevated, July 126, 131

Bochdalek's hernia
In newborn, September 192-193

Body surface area
Charts for, February 26-27

Book reviews
Current Pediatric Diagnosis and Treatment, May 202
Initial Management of the Trauma Patient, September 130

Botulism
In infants, January 183-185
Types and action, October 195-198

continued

Bradycardia
See *Arrhythmia*

Brain
Abscess in, April 83
Bleeding in, steroids for, August 9 (letter)
Damage to, from delayed CPR, June 159-161
Injury to
Angiography in, August 71-73
Respiratory distress in, March 163, 166

Breast cancer
Mammography in prognosis for, February 59-61
Treatment of, April 74, 79

Bronchodilators
Adrenergics as, August 116-117
Aerosolized, December 26
In asthma, December 26
In respiratory disease, December 26

Brucellosis
Misdiagnosed, July 87

Bundle branch block
ECG diagnosis of, May 144-152, 153-173

Burns
In alcoholic, February 128
Amikacin in, serum levels of, September 126
Antibiotic sensitivity tests for, August 13
Bleeding in, upper GI, March 9
Care of, April 71
Candidiasis in, September 126-129
Chemical, March 99
Of eye, November 61
Esophageal, August 17
Of eye, November 61
Gentamicin in, serum levels of, September 122-126
Infection after, December 17
Isolation for, December 17
Of lungs, October 163-165
Management of, November 113-122
Minor, August 24-31
Nutrition in, November 14
Plasma expanders in, October 19
Third-degree, November 113-122
Transportation in, November 14

Bursitis
Diagnosis and management of, November 84-93

Bypass unit
Portable, in CPR, May 223-228

Calculi
Lack of, in gallbladder disease, November 193
Staghorn, in kidney, June 120, 123

Cancer
Aspergillosis and, August 153, 157
Breast
Risk of, determined by mammography, February 59-61
Treatment of, April 74, 79
Cervical, from diethylstilbestrol, August 187-189
Screening for, April 66
Coin lesions as lung, March 155-158
Diagnosis and management of, February 68, 70; April 71-79
Endometrial, from estrogens, April 66
Epidermal nevus as sign of, May 72
Lung, diagnosis of, March 155-158
Misdiagnosed as asthma, January 144
And oral contraceptives, October 238
From photodye therapy for herpes, October 181
Signs of, February 68, 70
Stomach
Early detection of, March 241-242
Superficial stages of, March 242
Syphilis misdiagnosed as, June 209-212
Thyroid, differentiation from thyroiditis, October 19

Candida
In burns, amphotericin for, September 126-129
As cause of peritonitis, June 56-58

Carbon monoxide
Poisoning from, April 48
Myonecrosis from, November 216

Cardiac tamponade
Signs of, August 169-172
Treatment of, August 172

Cardiopulmonary resuscitation
Brain damage after delayed, June 159-161; November 10 (letter)
Complications of cardiac massage in, October 17
Epinephrine in, February 115, 117
Esophageal obturator airway in, July 75-78
False teeth swallowed in, June 71; October 11 (letter)
Indications for, December 115
IV bicarbonate before, February 115, 117
In newborn, October 31-47
Organ failure after, April 57-58
Portable bypass unit in, May 223-228

Cardioversion
Drugs for, February 115, 117
Indications for, July 90

Carotid disease
Noninvasive screening test for, May 189-191

Carrots
Poisoning from, March 217

Catapres
See *Clonidine*

Catheterization
Subclavian, as cause of hemothorax, September 145-146
Technique for, December 125
See also *Balloon catheter*

Cephalexin
In otitis media in newborn, September 91

Cephalosporins
Guidelines for use of, April 133, 140

Cerebrovascular disorders
Aphasia as sign of, October 248
Steroids for, August 9 (letter)

Cervix
Cancer of, from diethylstilbestrol, August 187-189
Screening for, April 66
Dysplasia of, from oral contraceptives, October 238

Charcoal
Activated, in poisoning, April 199-200

Chest
Flail, management of, December 126
Injury to
Blunt, November 79-82
Cardiac aneurysm from, August 63-64
As cause of dissecting aortic hematoma, September 97, November 184-185
Penetrating, with scissors, August 91, 95
Traumatic lung cyst from, February 84, 87
X-ray diagnosis of, January 38-47
Pain in
Anginal
Cervicoprecordial angina as, August 86-90
Criteria for hospital admission with, August 83-84
As sign of MI, September 169
Aortic aneurysm as cause of, April 237
See also *Hemothorax, Lungs, Pneumothorax*

Children
Abdominal pain in, diagnosis of, June 12
Abused, identifying parents of, September 213-216
Amputation in, from hair tourniquet, May 43-47
Antibiotic use in, guidelines for, April 151-164
Arrhythmias in, July 70
Asthma in, theophylline for, March 81-82
Barium enema as diagnostic aid in, June 12
Blood pressure values in, July 99-102, 125
Burns in, gentamicin serum levels in, September 122-126
Cerebral damage after CPR in, June 159-161; November 10 (letter)
Chronically ill, misdiagnosed, December 115
Coarctation of aorta in, test for, March 223
Diagnosis and treatment of, May 202 (book review)
Drug abuse in, with inhalants, July 188
Epiglottitis in, January 67-68
Epilepsy in, March 195-205
Aphasia from, November 163-164
Eye injury in, as cause of brain abscess, April 83
Fever in, August 131-136
Fluid and electrolye losses in, management of, February 22-46
Foreign bodies in
Aspirated, August 49-56
As cause of airway obstruction, January 144; August 49-56
Ingested, February 123-127

Joint diseases in, drugs for, April 162, 164
Lawn mower injury in, August 139
Lumbar puncture in, contraindications for, April 227
Meningitis in, drugs for, April 160, 162
Migraine headache in, November 175, 177
Osteoid osteoma in, August 197-198
Osteomyelitis in
Diagnosis of, November 136
From puncture wound, May 187-188
Otitis media in, April 152, 155
Peritoneal lavage in, March 176, 178
Pneumonia in, drugs for, April 162
Poisoning in
Aspirin, March 210-211; September 151-160
Clonidine, June 167
Iron, May 229-238

Salicylate, September 151-160
Prader-Willi syndrome in, September 79
Reye's syndrome in, April 24-40
Sinusitis in, December 108
Splenectomy in, March 13
Splenic rupture in, April 101-106
Streptococcal pharyngitis in, November 214-215
Subluxation of neck in, July 138-139
Testicular torsion in, February 128; May 174-175; December 62
Tetanus in, in ear, November 132
Thrombosis in, January 224
Upper airway obstruction in, July 143
Vocal cord paralysis in, October 225-226

Chloramphenicol
In epiglottitis, January 68
In otitis media in newborn, September 89
In penicillin-resistant pneumococcal meningitis, May 37

Chlordiazepoxide
Abuse of, June 179
Withdrawal symptoms from, June 179-181

Chloroquine
For malaria, August 181-186

Chlorpropamide
In self-induced hypoglycemia, January 147

Chlorthalidone
As cause of hyponatremia, November 148-152

Choking
Red Cross booklet on, January 9 (letter)
Critique of, January 7, 9 (letter)

Cholangiography
Skinny-needle, in diagnosing jaundice, October 125-128

Cholecystitis
As postop complication, June 204
Surgery for, November 193

Chromatography
In glomerulonephritis coagulation studies, September 226

Cirrhosis
In alcoholic, May 109-114

Cleocin
See *Clindamycin*

Clindamycin
Topical, in acne, January 175

Clonidine
Poisoning from, in children, June 167

Clotrimazole
In thrush, December 11 (letter)

Codeine
Overdose of, August 208

Colic
Urinary tract infection misdiagnosed as, in infants, May 216

Colon
Pseudo-obstruction of, February 103, 105

Coma
In alcoholic, thiamine for, March 7 (letter)
Angiography in diagnosis of, August 71-73
Diabetic, October 245
Diagnosis and management of, July 147-150; October 131-154
In fulminant hepatitis, December 46
Glucose in, July 150; October 135, 145-148
Hepatic, total blood exchange for, August 13
Hypoglycemia as cause of, July 150
Lactic acidosis as cause of, July 147-150
Meningitis as cause of, October 141
From meperidine overdose, June 73
Respiratory status in, April 227
Seizures in, October 138, 141, 150

Computer programs
On arrhythmias, May 195-201
On cardiopulmonary resuscitation, January 237
On coma, July 147-150
On decision-making, with antibiotics, January 153-162
On digitalis toxicity, May 195-201
On hypertension, January 231, 233; March 167-172
On joint pain, September 176-183
On respiratory distress, January 228-231

Concussion
In sports injuries, May 34

Confusion
From migraine headaches, November 175, 177

Congenital malformations
From anticoagulants in pregnancy, August 143-146

Continuous negative pressure
Iron lung for, May 213

Contraceptives
Intrauterine
As cause of death in pregnancy, February 13
Pregnancy with, July 91-94
Oral
And cancer, October 238
As cause of birth defects, June 111
As cause of cervical dysplasia, October 238
As cause of intestinal infarction, October 242
As cause of pulmonary embolism, September 209, 211
Guidelines for, October 231-237
And hepatitis, October 237
And heavy smoking in myocardial infarction, June 109-110
Hypertension and, June 90

Convulsions
Posttraumatic, phenytoin for, April 187-191

Copper
Poisoning from, June 226

Coronary care unit
As stress factor after MI, September 55, 59

Corticosteroids
Insufficiency of, in sepsis, November 171-172

Cortisol
Insufficiency of, in sepsis, November 171-172

Cortrosyn
See *ACTH*

Coumarin
Complications of therapy with, December 17

Counterpulsation
Balloon, complications of, January 11-12

Cricothyrotomy
Technique of, November 29, 79

Crohn's disease
Misdiagnosed in ER, June 71

Cromolyn
In asthma, December 26

Cryptococcosis
Cutaneous, June 214-216
Tests for, May 15 (letter)

Cystic fibrosis
In adults, January 119-121
In blacks, January 121

Dalmane
See *Flurazepam*

Death
In comatose, defined, October 154
Sudden, in infants, January 184-185; March 175; September 15 (letter)
See also *Dying, Funerals*

Deferoxamine
In iron toxicity, May 229

Defibrillation
Drugs for, February 115

Demerol
See *Meperidine*

Dentistry
As source of hepatitis, July 12

Depression
After MI, September 60
And suicide, July 87

Dermatosis
See *Skin*

DES
See *Diethylstilbestrol*

Desensitization
For insect stings, August 112, 115

Desferal
See *Deferoxamine*

Diabetes
As cause of hypopituitarism, September 174
Differential diagnosis of, July 155, 158
Drug interaction with hypoglycemic agents in, April 227
Encephalopathy in, October 245
Foot ulcers in, May 105
Hand infections in, September 141
Hypoglycemia and, December 132
Ketoalkalosis in, April 219, 223
Lactic acidosis in, from phenformin, July 90

Diabinese
See *Chlorpropamide*

Dialysis
Peritoneal, Candida infection from, June 56-58
See also *Hemodialysis*

Diaphragm
Ruptured, from blunt trauma, October 111-113

Diarrhea
From nontropical sprue, October 186-189
As sign of infantile gastroenteritis, December 73

Diazepam
Abuse of, June 179
Contraindicated in asthma, May 119-120
Withdrawal symptoms from, in newborns, June 180-181

Diethylstilbestrol
Cervical cancer from, August 187-189
Screening for, April 66
In prevention of pregnancy after rape, March 218, 220
Uterine abnormalities from, August 193, 196

Dieting
As cause of hypokalemia, January 147
As cause of peroneal nerve palsy, October 19

Digitalis
Arrhythmias from, May 195-201

Digoxin
Toxicity from, May 195-201

continued

Dilantin
See *Phenytoin*

Diphenhydramine
As local anesthetic, October 207

Diphtheria
Immunization against, June 32, 34

Dipyridamole
In glomerulonephritis, September 227

Disopyramide phosphate
In arrhythmias, June 151-152

Disseminated intravascular coagulation
In bleeding neonates, March 190, 193
In near-drowning, October 174

Diuretics
As cause of hypokalemia, January 147

Diverticulitis
Misdiagnosed in women, October 17

Dobutamine
In heart failure, June 134

Doll's-eye reflex
In coma, October 132, 134

Douching
As cause of pneumoperitoneum, December 117

Doxycycline
In Vibrio infection, May 87

Drowning
See *Near-drowning*

Drugs
Abuse of
Amphetamine in, August 212-213
Identification of agents in, June 225-228
Inhalants in, July 187-195
Meperidine in, June 73
And splenic bleeding, April 224
Tranquilizers in, withdrawal symptoms from, June 179-180
Administration of, errors in, August 211
Adverse reactions to
As cause of bleeding, January 193-197
As cause of postoperative blood abnormalities, May 9
Methyldopa as source of, August 17
Nitrofurantoin as source of, January 186-187
In recovering alcoholics, December 102
Sulfisoxazole as source of, January 193
As cause of illness, September 9
Interactions of
Alcohol and diazepam in, June 12
Hypoglycemic agents and warfarin in, April 227
Misidentified in ER, January 144
Overdose of
Alcohol in, May 119
Aspiration pneumonia in, May 119
Barbiturates in, May 119
As cause of vomiting in newborn, April 116
With codeine, August 208
Hyperventilation in, May 120
Management of, June 195-198
Signs of, June 195-198
Street drugs in, incidence of, June 225-226
With tricyclics, January 151
See also *Poisoning*

Dying
And funerals, children's attitude toward, March 91-95
Home care for, February 137-141

Ear
Foreign body in, November 63-64
Hearing test of, February 146
Injury to, November 63-64
Of tympanic membrane, August 211
Tetanus in, November 132
Wax in, removal of, April 96

Edema
Recurrent, July 155, 158

Elbow
Bursitis and tendinitis in, November 87, 90
Tennis, November 90

Elderly patients
Carotid disease in, May 189-191
Heatstroke in, May 79-82
High blood pressure in, December 57
Meningitis in, July 172-173
Mononucleosis in, January 201, 203
Swine flu vaccine in, June 15 (letter)

Electrical equipment
Resuscitators, ratings of, December 86

Electrocardiogram
Diagnosis with
Of acute MI, March 96
Of digitalis toxicity, May 195-201
Interpretation of, May 126-152, 153-173
Self-test on MI, July 163-169
Techniques in, February 146

Electrocoagulation
For bleeding, January 12

Electrolyte imbalances
Alkalotic, hydrochloric acid for, February 38; June 15 (letter)
From antihypertensive agents, November 148-152
In burns, November 113-122
In children, management of, February 22-46
Hypercalcemic, as symptom of cancer, February 68, 70
Hyperkalemic, from amphetamine abuse, August 213
Hypokalemic
From licorice, April 224, 227
From dieting and diuretics, January 147
Hyponatremic, November 148-152
From gastric lavage, May 119
Ketoalkalotic, in diabetes, April 219, 223
Lactic acidotic, July 147-150
From phenformin, July 90

Embolism
Arterial
Of arms, June 12; October 19
Mesenteric, December 77
Bullet as, April 42; June 9
Deep-vein, in children, January 224
Estrogen as cause of, September 109
Micro-
As cause of ischemic foot, March 113
As cause of restless leg, January 114, 118
Therapeutic, for bleeding, April 201-207
Noninvasive test for, January 223
Pulmonary
Blood gases in, September 209, 211
Oral contraceptive as cause of, September 209, 211
Prophylactic heparin for, April 11 (letter); June 171, 173
Risk factors for, March 13

Emesis
Bleeding after, January 12

Empyema
Management of, September 166-168

Endocarditis
And aortic valve abscess, May 204
Bacterial, prophylaxis for, August 34-41
Diagnosis and management of, April 183-186

Endophthalmitis
Candidal
Amphotericin and rifampin for, September 129
As sign of candidemia, September 128-129

Enema
Barium, in abdominal diagnosis, June 12
Injury from, September 221
Retention technique for, December 125

Enterocolitis
Neonatal, January 11

Eosinophilia
In gastroenteritis, February 101-102
As guide to asthma therapy, August 160-161

Epiglottitis
In adults, August 174-175
Treatment of, January 67-68

Epilepsy
Abdominal, September 236
In adolescents, March 195-205
Aphasia from, November 163-164
Predictors of, February 9

Epinephrine
In anaphylactic shock, August 112
In ventricular fibrillation, February 115

Erythema nodosum
Fungus infection as cause of, July 64

Erythromycin
In endocarditis, prophylactic, August 35
In strep infections, June 64

Esophagus
Bleeding in, January 12; November 14
Burns of, August 17
Foreign body in, November 74, 76
Mallory-Weiss syndrome in, January 12; December 17
Tumor of, August 100-107

Estrogen
Endometrial cancer from, April 66
And hypertension, June 90
Postmenopausal, hypercoagulability from, September 109
Risk of cancer from, October 238

Ethambutol
In tuberculosis, November 203, 205

Exercise
And cold air as cause of asthma, December 17
After myocardial infarction, October 172
And sexual function, November 181-182
Neck strengthening, May 33

Eye
Candida endophthalmitis in, September 128-129
Foreign body in, August 42; November 54
Injury to, November 53-62
Penetrating, as cause of brain abscess, April 83
Lacerated, August 208
Movements of, October 132, 134

continued

Stevens-Johnson syndrome in, February 117
Swelling of, as sign of sinusitis, December 108

Face
Paralysis of, therapy for, April 71
See also *Head, Jaw*

Felon
Paronychial, drainage of, August 42

Fetus
Alcohol syndrome in, August 121-125
At risk, identification of, October 27-29

Fever
Causes and management of, August 131-136
Factitious, detecting, June 190, 194
High, causes of, March 207, 209
As sign of aortic aneurysm, April 237
As symptom of disease, August 136; October 157

Fingernail
Paronychial drainage in, August 42
Subungual hematoma of, treatment of, October 207

Fingers
Degloved, management of, June 186-187

Fishhook
Removal of, August 42; November 136

Fistulas
Gastrointestinal, nonsurgical therapy for, August 13

Flail chest
See *Chest, flail*

Flurazepam
Abuse of, June 179
Withdrawal from, June 179-181

Foot
Bursitis and tendinitis in, November 93
Diabetic ulcers in, May 105
Fungal infection of, July 64
Osteomyelitis from puncture wound of, May 187-188
Replantation of, June 100-108

Football
Head and neck injuries in, May 26-34
Safety equipment for, May 30-32

Foreign bodies
Aspirated, April 224
In chronically hospitalized, September 12
In infants, May 98, 100
In lower airway, August 49-56
Management of, November 27-29
Mistaken for cardiac arrest, January 144
Ear injury from, November 63-64
In eye, August 42; November 54
Ingested, February 123-127
In esophagus, November 74, 76
Intestinal perforation from, May 122
Retrieval of, March 105-107
Toothpick as, May 122
X-ray diagnosis of, January 50
From lawn mower injury, August 139
Missed, March 99; October 248
Penetrating
As cause of brain abscess, April 83
From gunshot wound, April 42
Location of, February 146; November 136
Retained piece of, October 248
Pharyngeal, November 74, 76
Powder aspiration as, August 56
Rectal, April 17
Surgical fabrics as, April 17
Uterine, removal of, August 59

Fractures
Ankle, treatment of, February 49, 52
Of arm, October 112
Hip, March 9; October 248
Of the knee, January 238-240; July 177-183; November 206, 211
Of leg, October 111-112
Nasal, November 64, 71
Pelvic, April 111-115
Of ribs, November 79-82
Skull, July 48, 52-53
Spinal, November 43-52
Cervical, December 99
Treatment for, April 79
X-ray diagnosis of, January 27-65

Frostbite
Medical sympathectomy for, November 153, 155

Funerals
Child's reaction to, March 91-95

Fungizone
See *Amphotericin*

Fungus infections
Aspergillosis, August 151-157
Candidal
In burns, September 126-129
As cause of peritonitis, June 56-58
As cause of thrush, December 11 (letter)
As cause of erythema nodosum, July 64
Cryptococcosis, cutaneous, June 214-216

Gallbladder disease
Acalculous, surgery for, November 193
Misdiagnosed, April 230
Ultrasound diagnosis of, January 11

Gangrene
From coumarin therapy, December 17

Gantrisin
See *Sulfisoxazole*

Garamycin
See *Gentamicin*

Gastritis
Hemorrhagic, devascularization for, September 198-203

Gastroenteritis
Eosinophilic, February 101-102
In infants, December 73

Gentamicin
Amikacin compared with, May 9
In burns, serum levels of, September 122-126
As cause of renal failure, March 100, 104
In endocarditis, prophylactic, August 37
In otitis media in newborn, September 91
In septicemia, September 124

Glaucoma
Angle-closure, November 55

Glomerulonephritis
Anticoagulants in, September 226-231
Low-dose, April 91-94

Glucose
In coma, July 150; October 135, 145-148
In MI, May 75-78

Gonorrhea
Antibiotics for, September 9
Resistance to, July 159
In children, February 55, 57
Spectinomycin for, July 12, 159
Tetracycline for, July 12

Grafts
Foot, June 100, 108
Hands, April 71
Skin
In burn treatment, August 29-31
For degloved finger, June 186-187

Griseofulvin
In erythema nodosum, July 64

Gynecologic problems
From abortion, April 210
Bleeding, ovarian, from anticoagulants, April 170
Diethylstilbestrol as cause of, August 187-196
Diverticulitis misdiagnosed as, October 17
Estrogen for, hypercoagulability from, September 109
Pneumoperitoneum as, December 117
Surgery in, April 65-67
Ultrasound in, April 65
Uterine hemorrhage as, August 58-59

Hair tourniquet
As cause of amputation, in children, May 43-47

Haldol
See *Haloperidol*

Haloperidol
Poisoning from, March 215

Hand
Bursitis and tendinitis in, November 90
Infection of, in diabetics, September 141
Replantation of, April 71

Head
Injury to
Airway obstruction from, November 26-28
Anticonvulsant therapy for, April 187-191
As cause of migraine, November 175
Cerebral blood flow in, December 17
Drugs in, July 60
Evaluation of, November 35-42
Chart for, July 62-63
From football, May 26-34
Management of, July 27-60
Mechanics of, July 28-30
Priorities in, July 30-33
Respiratory distress in, March 163, 166
Scanning for, May 91-93
X-rays in, January 62-64; July 43, 47
Surgery in, April 63-64

Headache
Migraine
In children, November 175, 177
Injury as cause of, November 175
Propranolol for, May 219, 221
Triage protocol for, April 215-218

Hearing test
For unilateral loss, February 146

Heart disease
Bacterial endocarditis in, August 34-41
As burn complication, November 115
In children, May 83-84
Congenital, signs of, in newborn, October 82
Criteria for hospitalization with, August 83-84
ECG interpretation of, May 126-152, 153-173
Exercise with, October 172; November 181-182
Management of
At home, January 122
Overview of, September 28-70
Postinfarction, September 53-70

continued

Mediastinal tumor misdiagnosed as, November 158
Relaxation techniques in, September 42-48
Risk factors in, September 31-33
Sepsis and, July 9
And sexual activity, November 181-182
Stress in, September 35-51
See also *Arrhythmias, Cardiopulmonary resuscitation, Myocardial infarction*

Heart failure
Congestive, as sign of MI, September 169
Drug reaction as cause of, January 133-197
Vasodilators in, June 132-137

Heart sounds
In mitral valve prolapse, July 126, 131

Heart surgery
Endocarditis and, prophylaxis for, August 37, 41

Heatstroke
Diagnosis and management of, May 79, 82

Heimlich maneuver
In food aspiration, September 12
In Red Cross booklet, January 7 (letter)

Hematoma
In alcoholic, September 211
Aortic, dissecting, September 97-100
As cause of coma, October 145
Cranial, July 47-48, 53, 59
Esophageal, postemetic, January 12
In head injury, scanning for, May 92
Intramural, September 241-242
Subungual, paper clip for, October 207

Hemiplegia

Hemorrhoids
Ligation of, July 199-200

Hemothorax
From chest trauma, November 79
Subclavian catheter as cause of, September 145-146

Henoch-Schönlein syndrome
Diagnosis of, September 181-183

Heparin
In glomerulonephritis, April 91-94; September 227
Long-term use of, contraindicated in pregnancy, August 146
Low-dose, prophylactic, April 11 (letter); June 171, 173
In thrombosis in children, January 224

Hepatitis
Alcoholic, May 109-114
Dentistry as source of, July 12
Differential diagnosis of, August 201-206
Fulminant, December 46
Oral contraceptives and, October 237
Viral, types of, April 13, 17

Hernia
Bochdalek's, in newborns, September 192-193

Herpesvirus
Simplex
As cause of genital infection, October 179, 181
Photodye therapy for, as cause of cancer, October 181
Vidarabine for, April 179
Zoster, stellate ganglion block in, March 7 (letter); April 9 (letter)

Hip
Bursitis and tendinitis in, November 92
Dislocation of (correction), February 7 (letter)
Fracture of, March 9
Misdiagnosed, October 248

Hospital services
Guidelines for, February 72-80

Hydralazine
In heart failure, June 136, 144

Hydrocarbons
As cause of chemical pneumonia, March 215

Hydrochloric acid
In metabolic alkalosis, February 38; June 15 (letter)

Hymenoptera
Stings of, August 111-115

Hyperalimentation
Caloric requirements in, April 17
In GI fistulas, August 13
After trauma, April 51-63

Hypercalcemia
As symptom of cancer, February 68, 70

Hyperkalemia
In amphetamine abuse, August 213

Hypertension
Birth control pills contraindicated in, June 90
As cause of arrhythmia, March 84-88
In children, NHLBI report on, July 97-125
Drugs for, July 105-110
Crises in, March 167-172
Management of, August 13, 17
Diagnosis and management of, March 84-88
In elderly, December 57
In pregnancy, April 84-90; June 85-90
Pulmonary, in respiratory failure, October 17
Relaxation techniques for, September 42-48
Renal trauma as cause of, January 178

Hyperthyroidism
Management of, June 115-118
Propranolol and thyroid storm in, June 12

Hypertrophy
Cardiac, ECG diagnosis of, May 135-144

Hyperventilation
From drug overdose, May 120

Hypochondriasis
Management of, May 61-70

Hypoglycemia
As cause of coma, July 150
Definition and treatment of, December 132-144
Preop, complications of, September 80
Self-induced, January 147

Hypoglycemic agents
Interaction of, with warfarin, April 227

Hypokalemia
From dieting and diuretics, January 147
From licorice, April 224, 227

Hyponatremia
From antihypertensive agents, November 148-152
From gastric lavage, May 119

Hypopituitarism
Diabetes as cause of, September 174

Hypotension
In alcoholics, July 83

Hypoventilation
As cause of Pickwickian syndrome, September 73-79

Hysteroscopy
In diagnosis of uterine bleeding, August 58-59

Immunization
Guidelines for, June 32-51

In ankylosing spondylitis, September 84

Infants
Airway problems in, x-ray diagnosis of, September 223-235
Blood gases from, technique for, February 146
Botulism in, January 183-185
Congenital malformations in, August 143-146
Fetal alcohol syndrome in, August 121-125
Fluid loss in, management of, February 28-46
Foreign bodies in
Aspirated, May 98, 100
Bronchial, November 76
Powder as, August 56
Gastroenteritis in, December 73
Heart disease in, May 83-84
Kwashiorkor in, October 118-124
Pneumonia in, misdiagnosed, June 71
Pyloric tumor in, September 115-116
Septic arthritis in, February 118
Sudden death syndrome in
Apnea as cause of, December 13
Botulism as cause of, January 184-185
Prevention of, September 15 (letter)
Profile of, March 175
Thrush in, December 11 (letter)
Urinary tract infection in, May 216
Vocal cord paralysis in, October 225-226
Vomiting in, April 116
See also *Newborn*

Influenza
Swine flu, in elderly, June 15 (letter)

Insect stings
Desensitization for, August 112, 115

Insulinoma
Differentiated from hypoglycemia, December 132

Intermittent positive pressure breathing
In asthma, December 26

Intestines
Infarction of, December 77
From oral contraceptives, October 242
Obstruction in, strangulated, May 52-53
Perforation of, by toothpick, May 122

Intravenous therapy
Technique for, February 146; August 42
In infants, February 146

Intubation
Esophageal obturator airway in, July 75-78
Nasogastric
In newborn, misplaced, June 127-128
Techniques for, March 235-237; April 96
Nasotracheal
Misplaced, as cause of hypotension, February 129
Technique of, November 30
In newborn, June 55
Catheter length for, April 174-175
Misplaced, June 127-128
In obstructive airway disease, August 216
Phonation prevented by, May 15 (letter)

Iron
Poisoning from, May 229-238

Iron lung
In continuous negative pressure therapy, May 213

Ischemia
In extremity, test for, July 9
See also *Transient ischemic attacks*

Isoetharine
In asthma, August 116

Isoniazid
Monitoring, in prophylaxis, September 136-137
In tuberculosis, November 203, 205

Isoproterenol
In allergic reaction, August 112

Isosorbide
In heart failure, June 136, 147

Jaundice
Cholangiography in diagnosis of, October 125-128
As sign of hepatitis, August 201-206
Neonatal, October 97-104
Ultrasound diagnosis of, November 11

Jaw
Dislocated, reduction of, June 234

Jimsonweed
Poisoning from, June 226

Joint diseases
In children, drugs for, April 162, 164
See also *Arthritis*

Kanamycin
In otitis media in newborns, September 91

Kantrex
See *Kanamycin*

Kidney
Blunt trauma to, June 157; December 51
As cause of hypertension, January 178
Effects of aspirin on, May 12
Glomerulonephritis in, September 226-231
Nephropyelostomy in, June 219-220
Staghorn calculi in, June 120, 123
See also *Renal disease, Renal failure*

Knee
Bursitis and tendinitis in, November 92, 93
Fracture of, January 238-240; July 177-183; November 206, 211
Injury to, January 238-240
Pain in, as sign of fracture, November 206, 211
Popliteal aneurysm in, December 67

Kwashiorkor
Sugar-baby, October 118-124

Laparotomy
In diagnosis of abdominal pain, October 157

Lavage
Gastric
Hyponatremia from, May 119
Technique for, August 42
Peritoneal
In blunt abdominal trauma, March 176, 178
In splenic injuries, September 92

Lawn mower injury
In children, August 139

Leg
Fractures of, October 111, 112
Restless, causes of, January 114, 118
Vasculitis of, December 119

Leukemia
Gentamicin in, serum levels of, September 124

Licorice
Poisoning from, April 224, 227

Lidocaine
For pruritus from hemodialysis, May 12

Liver
Failure of
After resuscitation, April 57
Transfusion for, January 12
Isoniazid and, dangers of, September 136-137
Steroids as cause of hemorrhage in, April 71
Trauma to, hemobilia from, July 185

Lotrimin
See *Clotrimazole*

Lumbar puncture
In coma, October 134, 136, 141
Contraindications for, in children, April 227

Lung disease
Allergic aspergillosis as, August 151-153
From nitrofurantoin, January 186-187
After resuscitation, April 57
As sign of heart disease, May 83-84
Surgery with, October 191
See also *Pneumonia, Respiratory, Tuberculosis*

Lungs
Bleeding from, management of, April 201-208
Foreign bodies in, August 49-56
Gastric aspiration in, February 111, 114
Injury to, traumatic cysts from, February 84-87
See also *Airway, Foreign bodies*

Lupus erythematosus
As cause of splenic rupture, January 12

Magaldrate
In stress ulcers, September 197

Malaria
Diagnosis and management of, August 181-186
Incidence of, August 182

Mallory-Weiss syndrome
Hematomas in, related to anticoagulants, January 12
Treatment of, December 17

Mammography
In prognosis for breast cancer, February 59-61

MAST
See *Military antishock trouser*

Measles
Vaccines for, June 35, 39

Mediastinitis
Anaerobic, January 11

Meditation
Transcendental, in relief of stress, September 42-48

Medroxyprogesterone
In Pickwickian syndrome, September 75

Meningitis
Antibiotics for, April 160, 162
Coma in, October 141
Drugs for, January 77-82; July 173
In elderly, July 172-173
Pneumococcal, penicillin-resistant, May 37
Prophylaxis in, January 78-79

Meperidine
Overdose with, June 73

Metaproterenol
In asthma, August 116

Methyldopa
As cause of myocarditis, August 17
In dissecting aortic aneurysm, June 144

Migraine
Abdominal, September 236
As cause of confusion, November 175
Injury as cause of, November 175
In children, November 175, 177
Propranolol for, May 219, 221
See also *Headache*

Military antishock trouser
As ambulance equipment, December 86
Indications for, in aneurysm, June 16 (letter)

Military physician recruitment
See *Navy Medical Corps*

Methemoglobinemia
As sign of poisoning, June 227

Mitral valve
Prolapse of, July 126, 131

Mononucleosis
Agranulocytosis from, January 203, 205
In middle-aged and elderly, January 201, 203
From transfusion, August 17

Mumps
Vaccine for, June 40, 43

Mushrooms
Poisoning from, therapy for, June 227-228

Myocardial infarction
Anatomy of, May 153-158
Arrhythmias in, March 128-130, 134, 139; September 169
CCU as stress factor after, September 55, 59
ECG diagnosis of, March 96; May 153-173
ECG self-test on, July 163-169
Emotional behavior after, September 60-61
Exercise after
As guide to sexual activity, November 181-182
Training for, October 172
Glucose for, May 75-78
Home care for, January 122
Immediate treatment for, March 128-135

continued

Oral contraceptives and, June 109-110
Postinfarction treatment of, March 138-148
Pump failure and, June 132
Risk factors in, June 109-110
Sexual activity after, November 181-182
Signs and symptoms of, September 169-170
Smoking and, June 109-110
Stress as cause of, September 35-51
Surgery for, April 67
Therapy for, May 75-78
Types of, and survival, March 149, 151
Vasodilators in, June 132-134

Myocarditis
Methyldopa as cause of, August 17

Myoclonus
Treatment for, April 13

Myonecrosis
From carbon monoxide poisoning, November 216

Nails
See *Fingernail, Toenail*

Navy Medical Corps
Criticism of, July 15, 17 (letter)
Reply, July 17, 19; October 10-11 (letter)

Near-drowning
Brain damage after CPR in, June 159-161; November 10 (letter)
Freshwater, hemorrhage from, October 174

Neck
Injury to
Cervical fracture from, December 99
From football, May 26-34
From whiplash, May 9
Pain in, August 86-90
Strengthening exercises for, May 33
Subluxation of, July 138-139

Nephropyelostomy
In urinary tract obstruction, June 219-220

Neurologic exam
Checklists for, May 29; July 62-63
In spinal cord injury, March 76-77
In head trauma, November 36-37

Nevus
Epidermal, as sign of cancer, May 72

Newborns
Airway compromised in, April 107-108
Apnea in, March 226-232
Asphyxia in, October 31-47
Bacitracin for antisepsis in, April 119, 121
Bleeding in, diagnosis of, March 181-193
Bochdalek's hernia in, September 192-193
Bradycardia in, management of, January 97-98
Congenital heart disease in, signs of, October 82
Fetal alcohol syndrome in, August 121-125
Gestational age in, problems associated with, October 51-64
Infections in, October 91-96
Intubation in, June 55
Endotracheal tube length for, April 174-175
Misplaced, June 127-128
Jaundice in, October 97-104
Necrotizing enterocolitis in, January 11
Otitis media in, September 89, 91
Pneumothorax in, January 84, 86
Pyloric tumor in, September 115-116
Respiratory distress syndrome in, October 67-85
Catheter diagnosis of, September 192-193
Prenatal test for risk of, February 13
Resuscitation of, October 31-47
Sepsis in
As cause of RDS, October 76
Drugs for, April 155, 160
Sick, parents' needs with, January 105-106
Streptococcal infection in, March 108-112
Withdrawal symptoms in
From alcohol, August 121-125
From diazepam, June 180-181

Nitrofurantoin
Pulmonary complications from, January 186-187
In urinary tract infections, August 17

Nitroglycerin
As cause of bradycardia, February 130

Nitroprusside
In dissecting aneurysm of aorta, June 141
In heart failure, June 132-137

Nontropical sprue
Diarrhea from, October 186-189

Norpace
See *Disopyramide phosphate*

Nose
Bleeding from, November 71-72
Fracture of, November 64, 71

Nutrition
In burned, November 14
Hyperalimentation in, April 17, 51-63; August 13
Parenteral, June 9; November 11

Oculocephalic reflex
In coma, October 132, 134

Oculoplethysmography
In diagnosis of carotid disease, May 189-191

Organ failure
Multiple and remote, June 9
After resuscitation, April 57-58

Osteoarthritis
Differential diagnosis of, April 90

Osteoma
Osteoid, August 197-198

Osteomyelitis
Diagnosis of, November 136
From puncture wound, May 187-188

Otitis
Externa, November 166
Media
Antibiotics for, in children, April 152, 155
In newborns, September 89, 91

Oxytocin challenge test
In high-risk pregnancy, February 297-298
Correction, April 9

Pain
Electrical stimulation for, June 12
From joint inflammation, November 84-93
See also *Abdomen*

Palsy
Peroneal, dieting as cause of, October 19

Pancreas
Complications of fistulas in, February 13

Pancreatitis
Acute, surgery for, June 91, 93
Differential diagnosis in, April 13
Hemorrhagic, misdiagnosed, February 129

Paralysis
Facial, nerve replacement in, April 71
Vocal cord, in children, October 225-226

Parathion
Poisoning from, March 217

Parents
Likely to abuse, identifying, September 213-216
Of sick newborns, needs of, January 105-106

Pelvis
Fracture of, April 111-115

Penicillin
In endocarditis, prophylactic, August 35
Guidelines for use of, April 148-149
In otitis media in newborn, September 91
In pediatric gonorrhea, February 55
Pneumococcal resistance to, May 37
Semisynthetic, use of, April 142, 147
In strep infections, June 64

Penis
Amputation of, by hair tourniquet, May 43-47
Cancer of, from photodye therapy, October 181
Examination of, technique for, October 207

Peritoneal lavage
See *Lavage*

Peritonitis
Candida as cause of, June 56-58
Tuberculous, March 13

Persantine
See *Dipyridamole*

Pharyngitis
As cause of subluxation of neck, July 138-139
Streptococcal, November 214-215

Phenacetin
Poisoning from, March 211

Phenformin
Lactic acidosis from, July 90

Phenindione
As cause of congenital malformations, August 143-146
In glomerulonephritis, September 227

Phenobarbital
For withdrawal symptoms of diazepam in newborns, June 181

Phenoxybenzamine
In pheochromocytoma, September 106-107

Phenylbutazone
In ankylosing spondylitis, September 84
In cervicoprecordial angina, August 90

Phenylketonuria
Test technique for, April 96

Phenytoin
In posttraumatic seizures, April 187-191

Pheochromocytoma
Diagnosis and management of, September 105-108

Phonation
Prevented by intubation, May 15 (letter)

Photodye therapy
In herpes, as cause of cancer, October 181

Pickwickian syndrome
Causes and treatment of, September 73-79

continued

Piperazine
In ascariasis, January 93

Pneumonia
Aspiration, in drug overdose, May 119
Chemical, March 215
In children, drugs for, April 162
Misdiagnosed in infant, June 71
Nitrofurantoin as cause of, January 186-187

Pneumoperitoneum
From sexual activity, December 117

Pneumothorax
From chest trauma, November 79-82
Missed diagnosis of, March 96
In newborns
Diagnosis of, January 84, 86
Intubation as cause of, April 174-175
Spontaneous, flutter valve for, April 231-232

Poisoning
Absorption in, prevention of, April 195-200
Activated charcoal in, April 199-200
Amitriptyline, March 212
Anticholinesterase, March 217
Arsenic, June 228
Hemodialysis for, February 109
Aspirin, March 210-211; September 151-160
Blood levels of toxins in, January 211-220
Botulinus, January 183-185; October 195-198
Carbon monoxide, April 48; November 216
Carrot, March 217
Clonidine, June 167
Copper, June 226
From drug overdose, management of, June 195-198
Food, January 183-185; October 195-201
From gases, July 194-195
Half-life values in, January 211-220
Haloperidol, March 215
Hydrocarbon, March 215
Incidence of, December 79
From inhalants, July 187-195
Iron, May 229-238
Jimsonweed, June 226
Laboratory tests in, February 91-98
Licorice, April 224, 227
Management of, April 195-200
Methemoglobinemia as sign of, June 227
Mortality from, December 79
Mushrooms, June 227-228
Parathion, March 217
Psychedelic, June 225-226
From psychotherapeutic drugs, March 215
Phenacetin, March 211
Salicylates, September 151-160
Theophylline, March 212; June 228
From tricyclic antidepressants, January 151
From weeds, June 226
See also *Drugs*

Poliomyelitis
Vaccines for, June 34-35

Polyarteritis
Diagnosis of, of leg, December 119

Polyarthralgia
And acne, January 170-171

Polyuria
In septic shock, September 9

Porphyria
As cause of abdominal pain, September 241

Portacaval shunt
In bleeding esophageal varices, November 14

Postoperative infection
Cost of, July 12

Prader-Willi syndrome
Medroxyprogesterone for, September 79

Prednisone
In aspergillosis, August 153
In eosinophilic gastroenteritis, February 101-102
In glomerulonephritis, April 93

Preeclampsia
Management of, April 84-90
Signs of, February 289, 292

Pregnancy
Alcoholism in, as cause of fetal alcohol syndrome, August 121-125
Anticoagulants in, as cause of fetal malformations, August 143-146
Appendicitis in, November 197-200
Colonic pseudo-obstruction after, February 103, 105
Diethylstilbestrol in
Cancer from, August 187-189
Screening for, April 66
In prevention of pregnancy after rape, March 218, 220
Uterine abnormalities from, August 193, 196
Ectopic
Blood loss in, October 245
IUD as cause of, July 92, 94
High-risk, October 27-29
Hypertension in, April 84-90; June 85-90
Intrauterine devices in, July 91-94
Death from, February 13
Oxytocin challenge test in, February 297-298; April 9 (correction)
Pheochromocytoma in, September 106-107
Preeclampsia in, February 289, 292
As result of rape, prevention of, March 218, 220
Ultrasound in, April 65
See also *Abortion*

Primaquine
For malaria, August 181-186

Probenecid
In pediatric gonorrhea, February 55

Propranolol
In hypertension, June 117
Inadequate in thyroid storm, June 12
In migraine headache, May 219, 221
Short-term withdrawal of, September 186
And onset of thyrotoxicosis, November 189

Propylthiouracil
In hyperthyroidism, June 118

Proteus
As cause of kidney stones, June 120, 123

Pruritus
In hemodialysis, May 12
In syphilis, October 202
Uremic, November 11, 14

Psoriasis
Arthritis in, September 176-181

Psychiatric illness
Hypochondriasis as, May 61-70
Hysterical conversion in, as sign of child abuser, September 213-216
In myocardial infarction
As reaction to, September 60-62
As sign of, September 170

Purpura
Allergic, diagnosis of, September 181-183

Pyloric stenosis
Idiopathic, diagnosis of, in newborn, September 115-116

Pyrexia
Causes of, March 207, 209
See also *Fever*

Quinidine
Compared to disopyramide, June 152

Quinine
For malaria, August 186

Rabies
Immunizing agents for, June 43-48

Rape
Risk of pregnancy after, March 218, 220

Rectum
Penetrating wound of, April 227, 230

Renal disease
Abdominal pain as sign of, March 116-121
Calculous, June 120-123
Glomerulonephritis in, September 226-231
See also *Kidney*

Renal failure
Acute, test for, January 11
In amphetamine abuse, August 212
Blunt trauma as cause of, July 9, 12
Gentamicin as cause of, March 100, 104
Hypoglycemia in, December 132
After resuscitation, April 57
Sulfonamide as cause of, January 197

Replantation
See *Amputation*

Reserpine
In frostbite treatment, November 153

Respiratory disease
And rheumatic fever, June 63-70
As sign of cystic fibrosis, January 119-120
Streptococcal, treatment for, June 63-70
Therapy for, December 26

Respiratory distress
Abnormal breathing in, intubation for, August 216
And airway obstruction, November 26-31
In brain-injured, March 163, 166
As sign of aspirated foreign body in infants, May 98, 100
As sign of vocal cord paralysis in children, October 225-226
Therapy for, December 26

Respiratory distress syndrome
Adult
From attempted suicide by hanging, December 94
From pulmonary burns, October 163-165
Iron lung for, May 213
In newborns, October 67-85
Powder aspiration as cause of, August 56
Prenatal test for risk of, February 13
Transillumination in diagnosis of, January 84, 86
Umbilical catheter in diagnosis of, September 192-193

Respiratory failure
Posttraumatic, October 17
Pulmonary hypertension in, October 17

Resuscitation
See *Cardiopulmonary resuscitation*

Reye's syndrome
Classification of, April 28-29

Diagnosis and treatment of, April 24-40
Total blood exchange for, August 13

Rheumatic fever
Prevention of, in strep infections, June 63-70

Ribs
Fractured, November 79-82

Rifampin
In Candida endophthalmitis, September 129
In meningitis, January 82
In tuberculosis, November 203, 205

Riopan
See *Magaldrate*

Rubella
Vaccine for, June 39-40

Salbutamol
In asthma, August 116

Salicylates
Poisoning from, September 151-160
Nomogram for, September 157

Salmonellosis
Symptoms of, October 201

Salpingitis
Antibiotics for, September 9
Chlamydia as cause of, September 12

Sarcoid disease
Diagnosis of, February 68, 70

Scalded skin syndrome
See *Toxic epidermal necrolysis*

Scalp
Wounds of, July 52
See also *Head*

Scanning
In abdominal disease, April 17
In head injuries, May 91-93

Sclerosis
Selenium as cause of, December 13

Sedatives
Contraindicated in asthma, May 119-120

Seizures
In coma, October 138, 141, 150
Posttraumatic, phenytoin for, April 187-191

Selenium
As cause of sclerosis, December 13

Sepsis
Adrenocortical insufficiency in, October 19; November 171-172
From decubitus ulcers, April 250, 252
In newborn
As cause of RDS, October 76
Drugs for, April 155, 160
Severity of, in heart disease, July 9

Septicemia
Gentamicin in, serum levels of, September 124

Sexual intercourse
After myocardial infarction, November 181-182

Shock
Anaphylactic, from stings, August 111-115
Cardiogenic, June 132-134
Hypotensive, in alcoholics, July 83
From IV amphetamine abuse, August 212-213
Septic, April 52
IV fluids in, September 12
Polyuria in, September 9
Treatment of, April 51-63
From wounds, November 127-130

Shoulder
Bursitis and tendinitis in, November 85, 87
Dislocated, September 118, 120
Reduction of, June 233-234

Silvadene
See *Sulfadiazine*

Silver nitrate
In otitis externa, November 166

Sinusitis
In children, December 108

Skin
Abrasive tattoo of, May 181, 183; October 9 (letter)
Cryptococcosis of, June 214-216
Decubitus ulcers of, April 247, 249
Sepsis from, April 250, 254
Toxic epidermal necrolysis of, April 255-256
Wounds of, November 127-130

Skull
Fracture of, July 48, 52-53
See also *Head*

Smallpox
Current status of, June 48, 51

Smoking
And myocardial infarction, in women on oral contraceptives, June 109-110

Spectinomycin
In resistant gonorrhea, July 12, 159

Spine
Epidural abscess of, October 169-170
Fracture of, November 43-52
Cervical, December 99
Treatment for, April 79
Injury to, March 22-41; November 43-52
Centers for treatment of, March 42-51; September 15 (letter); October 11 (letter)
Management of, March 53-75
Neurologic checklist for, March 76-77
X-ray diagnosis of, January 65

Spleen
Rupture of, January 12
Delayed, September 92
Pain from, April 101-106

Splenectomy
In children, March 13

Spondylitis
Ankylosing, differential diagnosis of, September 83-84

Sports injuries
Head and neck, May 26-34
Knee, January 238-240

Sprains
Ankle, November 97-112

Sprue
Nontropical, October 186-189

Staphylococcus
In food poisoning, October 201
In newborns, bacitracin for, April 119, 121

Steroids
In asthma, November 141-142
In brain edema, November 36-37
In shock, April 53-57
In spinal cord injury, March 59, 62
In stroke, August 9 (letter)

Stevens-Johnson syndrome
In eyes, February 117

Stings
Of hymenoptera, August 111-115

Stomach
Cancer of, March 241-242
Stress bleeding in, surgery for, September 197, 198-203

Stomas
Bleeding from, September 209

Streptococcus
As cause of throat infection, November 214-215
Group A, in newborns, March 108-112
Group C hemolytic, in humans, February 293
Prevention of complications from, June 63-70

Streptomycin
In endocarditis, prophylactic, August 37
In tularemia, June 79

Stress
Bleeding from, September 197, 198-203
Evaluation of, questionnaire for, September 37, 41
Relaxation techniques in, September 42-48
As risk factor in myocardial infarction, September 35-51

Stroke
As sign of MI, September 169
Steroids in, August 9 (letter)

Sudden infant death syndrome
Apnea as cause of, December 13
Botulism as cause of, January 184-185
Prevention of, crib design in, September 15 (letter)
Profile of, March 175

Suicide
Attempted, by hanging, December 94
Depression and, July 87

Sulfadiazine
In burns, August 27; November 114
In meningitis, January 82
In prevention of rheumatic fever, June 70

Sulfamethoxazole
In urinary tract infections, August 17

Sulfisoxazole
As cause of drug reaction, January 193

Sulfonamides
As cause of renal failure, January 197
Guidelines for use of, April 148

Sutures
Removal of, December 125

Sweat test
In cystic fibrosis, January 120

Swine flu vaccine
In the elderly, June 15 (letter)

Syphilis
Misdiagnosed as cancer, June 209-212
Pruritic, October 202

Talcum
Aspirated, as cause of RDS, August 56

Tamponade
See *Balloon tamponade, Cardiac tamponade*

Tar
Removal of, October 207

Tattoo
Abrasive, debridement of, May 181, 183; October 9 (letter)

Temporal arteritis
Symptoms of, January 147

Tendinitis
Diagnosis and management of, November 84-93

Terbutaline
In asthma, August 116

Testis
Torsion of, February 128; May 174-175; December 62

Tests
For carotid disease, screening, May 189-191

continued

Hearing, February 146
Neurologic guidelines, July 62-63
For phenylketonuria, April 96
In poisoning, February 91-98
For RDS, prenatal, February 13
For risk factors in heart disease, September 37
Self-
On arrhythmias, July 163-169
On cardiology, February 197-206
On endocrinology, February 247-256
On gastroenterology, February 220-231
On hematology, February 171-182
On infectious diseases, February 183-195
On nephrology, February 207-215
On neurology, February 159-167
On pulmonary diseases, February 150-154
On rheumatology, February 237-246
Sensitivity, in immunization, June 30
For thromboembolism, noninvasive, January 223

Tetanus
Otogenous, November 132
Toxoid doses for, June 34

Tetracycline
In acne, January 169, 175
As cause of esophageal ulcers, March 122
In gonorrhea, July 12
Topical, in acne, January 175

Theophylline
In asthma, August 117
Guidelines for, March 81-82
In newborn apnea, March 226
Poisoning from, March 212; June 228

Thioctic acid
For mushroom poisoning, June 228

Thiopental
In cerebral CPR, November 10 (letter)

Thoracic outlet syndrome
Whiplash as cause of, May 9

Throat
Strep infections in, November 214-215

Thromboglobulin
As test for deep-vein thrombosis, January 223

Thrombophlebitis
Diagnosis of, January 137-142

Thrombosis
Deep-vein, January 223-224
See also *Embolism*

Thrush
Treatment of, December 11 (letter)

Thyroiditis
Hashimoto's, differentiation from cancer, October 19

Thyrotoxicosis
Propranolol in
Inadequate in thyroid storm, June 12
Precipitated by withdrawal of, in angina, November 189

Ticrynafen
In hypertension, July 9

Tocainide
In arrhythmias, June 149-150

Toenail
Ingrown, July 132; October 9 (letter)

Toes
Pressure on, slippers for, October 207

Tomography
See *Scanning*

Tourniquets
Hair, in children, May 43-47

Toxic epidermal necrolysis
Differential diagnosis of, April 255-256

Tranquilizers
Contraindicated in asthmatics, May 119-120
Withdrawal symptoms from, June 179-180
In newborn, June 180-181

Transcendental meditation
As relaxation technique for hypertension, September 42-48

Transfusion
Auto-, April 125-126
Blood storage in, April 65
Errors in, April 9 (letter)
Exchange
In iron toxicity, May 237-238
Total, in hepatic coma, August 13
In hemophiliacs, April 241-244
Identification labels in, January 101
In liver failure, January 12
Mononucleosis from, August 17
In problem patients, July 12

Transient ischemic attacks
Aspirin in prevention of, August 97, 99

Transillumination
In diagnosis of neonatal pneumothorax, January 84, 86

Transportation
Of burn patients, November 14

Trauma care
Cost of, September 18 (letter)
Guidelines to hospital resources for, February 72-80

Triage
Protocols for, in headache, April 215-218

Triamcinolone
In asthma, November 142

Tricyclic antidepressants
Overdose, treatment of, January 151

Trimethoprim
In urinary tract infections, August 17

Trobicin
See *Spectinomycin*

Tuberculosis
Isoniazid prophylaxis for, September 136-137
Management of, November 203-205
Peritonitis in, March 13
Vaccine for, June 51

Tuinal
See *Barbiturates*

Tularemia
Signs and diagnosis of, June 77-79

Tumors
Esophageal, August 100-107
Mediastinal, November 158
Pyloric, in infants, September 115-116

Ulcers
Decubitus
Management of, April 247, 249
Sepsis from, April 250, 254
Diabetic foot, May 105
Duodenal, antacids for, December 79
Esophageal, tetracycline as cause of, March 122
Stress
Antacids for, September 197
Gastric devascularization for, September 198-203

Ultrasound
In gallbladder disease, January 11
In gynecologic diagnosis, April 65
In idiopathic hypertrophic pyloric stenosis, September 115-116
In jaundice, November 11
In popliteal aneurysm, December 67

Urinary tract
Infections of
Antibiotics for, August 17
In infants, misdiagnosed as colic, May 216
Obstruction of, nephropyelostomy for, June 219-220

Uterus
Bleeding in, hysteroscopy for, August 58-59
Structural anomalies of, from diethylstilbestrol, August 193, 196

Vaccination
Swine flu, in elderly, June 15 (letter)
See also *Immunization*

Valium
See *Diazepam*

Vanceril
See *Beclomethasone*

Vancocin
See *Vancomycin*

Vancomycin
In endocarditis, prophylactic, August 35

Vascular disease
Arterial occlusive, January 127-137
Venous occlusive, January 137-142

Vasculitis
See *Polyarteritis*

Vasodilators
In congestive failure, June 134-137
In myocardial infarction, June 132-134

Venereal disease
Antibiotic-resistant, July 159
Gonorrheal, in children, February 55, 57
Herpesvirus as, October 179, 181
Salpingitis as, September 12
See also *Gonorrhea, Syphilis*

Vibrio
Marine, as cause of infection, May 87

Vidarabine
In herpesvirus infections, April 179

Vira-A
See *Vidarabine*

Vivonex
In diagnosing food allergies, August 165-166

Vocal cords
Paralysis of, October 225-226

Vomiting
In newborns, from drugs, April 116

Warfarin
As cause of congenital malformations, August 143-146
In glomerulonephritis, April 93-94
Interaction of, with hypoglycemic agents, April 227

Whiplash
As cause of thoracic outlet syndrome, May 9

Wounds
Delayed primary closure for, August 77
Gunshot, bullet embolization in, April 42; June 9
From lawn mowers, August 139

continued

Management of, November 127-130
Penetrating
Of the head, July 59-60
Osteomyelitis from, May 187-188
Rectal, April 227, 230
Scissors as cause of, August 91, 95
Repair of, April 71
Scalp, July 52
Size of, measuring, December 125

Wrist
Tenosynovitis in, November 90

X-ray
In bleeding, January 58
In breast cancer risk, February 59-61
Emergency, survey of, January 25-65
In foreign body ingestion, January 50
Of fracture, January 27-65
In head injuries, January 62-64; July 43, 47
High-intensity, in pediatric airway diagnosis, September 233-235
Interpretations of, procedure for, December 125
Reversed film in, October 248

Xylocaine
See *Lidocaine*

Yersinia
As cause of infection in man, January 111-112
